Compact GR600 Glass door Refrigerator

Item number: 946010320

Compact GR600 is an energy efficient, durable, and reliable glass door refrigerator in white painted steel, built for demanding professional use. Low operating costs, high temperature stability and easy cleaning make this refrigerator the ideal partner for professional users.

WORK ENVIRONMENT, EASY CLEANING, AND EFFICIENT USE

The cabinet is equipped with a glass door with lock, an ergonomic handle in the full height of the door, and electronic controls with safety functions for optimal product protection. It is constructed with rounded corners and the door has a removable sealing strip for easy and efficient cleaning.

SUSTAINABILITY

Besides being energy efficient and thus having low operational costs, the refrigerator is produced locally in Denmark with focus on minimizing the impact of the environment, social responsibility and with energy from renewable energy sources.

SECURITY

The refrigerator comes with up to 5 years warranty. It has a ventilated cooling system, which ensures good temperature stability and air distribution, and that the temperature is quickly restored after door openings.
