Compact F600 Freezer

Item number: 946020221

Compact F600 is an energy efficient, durable, and reliable freezer, built for demanding professional use. Low operating costs, high temperature stability and easy cleaning make this freezer the ideal partner for professional users.

WORK ENVIRONMENT, EASY CLEANING, AND EFFICIENT USE

The cabinet is equipped with a reversible door with lock, an ergonomic handle in the full height of the door, and electronic controls with safety functions for optimal product protection. It is constructed with rounded corners and the door has a removable sealing strip for easy and efficient cleaning.

SUSTAINABILITY

Besides being energy efficient and thus having low operational costs, the freezer is produced locally in Denmark with focus on minimizing the impact of the environment, social responsibility and with energy from renewable energy sources.

SECURITY

The freezer comes with up to 5 years warranty. It has a ventilated cooling system, which ensures good temperature stability and air distribution, and that the temperature is quickly restored after door openings.
